#### Abstract:

Can a utopian project as Ville Radieuse to reveal yet, elements of interest for those who design the architecture in a contemporary urban setting? Ville Radieuse helps us to reflect on the fact that the contemporary city, is not the modern city. The present city is a huge and fragmented environment where, in fact, has not been achieved elements of the modern city. Ville Radieuse, can still produce rich occasions of reflections beginning to observe as the same Le Corbusier was able to achieve in Chandigarh.
