

UNIVERSITY OF BRESCIA

PEDESTRIANS, URBAN SPACES AND HEALTH

XXIV International Conference "Living and Walking in Cities"

12 - 13 September 2019

University of Brescia (Italy)

Full PROGRAM

With the patronage of:

Regione Lombardia

PROVINCIA DI BRESCIA

COMUNE DI BRESCIA

AGENZIA TPL

European Transport Safety Council

Centro Nazionale Studi Urbanistici

ASSOCIAZIONE ITALIANA per l'INGEGNERIA del TRAFFICO e dei TRASPORTI

INU Istituto Nazionale di Urbanistica

Società italiana degli urbanisti SIU

urbIng

With the grant of:

BRESCIA INFRASTRUTTURE

BRESCIA MOBILITÀ

ORGANIZATION

Conference Chairman: Maurizio Tira - *Dipartimento DICATAM. University of Brescia (IT)*

Emeritus Conference Chairman: Roberto Busi - *Dipartimento DICATAM. University of Brescia (IT)*

Scientific Committee:

- Richard Allsop – *Dept. of Civil, Environ & Geomatic Eng, Faculty of Engineering Science. UCL University (UK)*
- Deodato Assanelli - *Dipartimento SCS. University of Brescia (IT)*
- Antonio Avenoso - *European Transport Safety Council (BE)*
- Ivan Blečić – *Dipartimento DICA. University of Cagliari (IT)*
- Roberto Busi - *Dipartimento DICATAM. University of Brescia (IT)*
- Enrique J. Calderon - *ETS de Ingenieros de Caminos, Canales y Puertos. The Technical University of Madrid (ES)*
- Mattero Ignaccolo – *Dip. Ingegneria Civile e Ambientale. University of Catania (IT)*
- Giulio Maternini - *Dipartimento DICATAM. University of Brescia (IT)*
- Claudio Orizio - *Dipartimento SCS. University of Brescia (IT)*
- Graham Parkhurst - *FET Geography and Environmental Management. University of the West of England (UK)*
- Michele Pezzagno - *Dipartimento DICATAM. University of Brescia (IT)*
- Tim Pharoah - *Transport and urban planning consultant (UK)*
- Paola Pucci - *Dipartimento di Architettura e Studi Urbani. Politecnico Milano (IT)*
- Michela Tiboni - *Dipartimento DICATAM. University of Brescia (IT)*
- Maurizio Tira - *Dipartimento DICATAM. University of Brescia (IT)*
- Rodney Tolley - *Sustainable Transport Consultant (UK)*
- Paolo Ventura - *Dipartimento DIA. University of Parma (IT)*
- Michele Zazzi - *Dipartimento DIA. University of Parma (IT)*

>> THURSDAY 12 SEPTEMBER 2019

9:30 **Registration** Medicina, Building E15. Viale Europa, 11 – 1st Floor, Room B1

10:00 **Welcome address**

Introduction

Maurizio Tira, Chairman of the Conference

1st Plenary Session Medicina, Building E15. Viale Europa, 11 - 1st Floor

10:45 **PEDESTRIANS, URBAN SPACES AND HEALTH**
Room B1

Chair: **Michela Tiboni**, University of Brescia (IT)

Keynote **Rodney Tolley**, Sustainable Transport Consultant (UK)
Speakers:

Not so fast! Slowing down for a healthier wealthier and more sustainable city

Maurizio Tira, University of Brescia (IT)

Walkable cities to enhance sustainable mobility

Marco Metra, University of Brescia (IT)

Walking, physical fitness and cardiovascular health

13:00 **Lunch**

Parallel Workshops Medicina, Building E15. Viale Europa, 11 – 1st Floor

14:00-17:00 **A1 – Network and infrastructure to improve pedestrian mobility**

Room B4 Chair: **Giulio Maternini**, University of Brescia (IT)

Discussant: **Rodney Tolley**, Sustainable Transport Consultant (UK)

Paraskevopoulos Y. National Technical University of Athens (EL)
Tsigdinos S.
Andrakakou M. Aalborg University (DK)

"Cities on foot": Investigating human flows and their relationship with the urban environment in central areas. The case of an Athenian neighborhood

Bakogiannis E. National Technical University of Athens (EL)
Siti M.
Kyriakidis C.
Tsigdinos S.

Cross-walking; Investigating crosswalk characteristics and efficiency in central Athens

18.00-20.00 Walking activity: visit the Historical city
centre of Brescia

Participant gathering at metro Station Vittoria

20.30 Social Dinner

Cascina Parco Gallo – Dress code_ informal (Metro Station
Bresciadue)

>> FRIDAY 13 SEPTEMBER 2019

2nd Plenary Session Medicina, Building E15. Viale Europa, 11 - 1st Floor

09:30 **VULNERABLE ROAD USER SAFETY**

Room B1

Chair: **Antonio Avenoso**, European Transport Safety Council (BE)

Keynote **David Davies**, Parliamentary Advisory Council for Transport Safety (UK) *Promoting active travel – taking a new look at safety*

Speakers: **Giuseppe Cantisani**, Sapienza University of Rome (IT) *Re-thinking the road infrastructure for new urban mobility needs*

Parallel Workshops Medicina, Building E15. Viale Europa, 11 - 1st Floor

11:00-13:00 **B1 – Green infrastructures / Public transport**

Room B4

Chair: **Giulio Maternini**, University of Brescia (IT)

Discussant: **Rodney Tolley**, Sustainable Transport Consultant (UK)

Cioci S. Sapienza University of Rome (IT)

Green Infrastructures for urban and territorial regeneration. The sustainability of the contemporary city of Somerville

Tran T. T. H. University of Luxembourg (LU)

Optimal stratification of discrete urban green areas in mono-centric cities

Kappler L. Sapienza University of Rome (IT)

Boston Healthy city: the harborwalk experience

Zhao X.
Papaix C.
Ieromonachou P. University of Greenwich (UK)

Exploring the links between transport and wellbeing: the 'boat' factor

Carpentieri G.
Guida C.
Faga L. University of Naples Federico II, Naples, (IT)

The Node-Place model to improve walkability in railway station catchment areas to promote healthy city environments. An application to the municipality of Cercola (NA)

Ventura P.
Carra M. University of Parma (IT)

HSR Stations' urban redevelopments as an impulse for pedestrian mobility. An evaluation model for a comparative perspective

11:00-13:00
Room B2

B2 – Sustainable, safe and resilient Urban spaces

Chair: **Roberto De Lotto**, University of Pavia (IT)

Discussant: **Roberto Gerundo**, University of Salerno (IT)

De Lotto R.

Pietra C.

Venco E. M.

University of Pavia (IT)

Open source data and tools for Disaster Risk Management: definition of Urban Exposure Index

Bedini M. A.

Bronzini F.

Marinelli G.

Università Politecnica delle Marche (IT)

Strategies able to improve the level of safety and protection from seismic and hydro-geo-morphological risks

Pilotti M.

Milanesi L.

University of Brescia (IT)

Flood vulnerability functions for people and vehicles in urban areas

Gerundo R.

Grimaldi M.

Marra A.

University of Salerno (IT)

The reduction of the population's residential exposure to radon risk in the municipal urban plan

Turrini E.

Camevale C.

De Angelis E.

Volta M.

University of Brescia (IT)

Assessing the economic and health impact of soft mobility. The Lombardy Region Case Study

11:00-13:00
Room B3

B3 –Pleasant and attractive Public spaces

Chair: **Ivan Blečić**, University of Cagliari (IT)

Discussant: **Enrique Calderon**, The Technical University of Madrid (ES)

Tommasoli A.

Tommasoli L.

European University of Rome (IT)

University of Rome (IT)

The Public Space through an Aesthetic Ethics

Beretić N.

Congiu T.

Plaisant A.

University of Sassari (IT)

Imageability of Geo-Mining Heritage. Case study of Nebida settlement, Geo-Mining park Sardinia (Italy)

Massaro A.

Rotondo F.

Comune di Taranto (IT)

Pedestrian Healthcare and Beauty: Free-Accessibility Design Plan in Taranto (IT)

Ottoz E.

Pavese P.

Sella L.

University of Turin (IT)

Residential prices in movida: up or down?

13:00 Lunch

14:00-16:30

Room B1

C1 – Soft mobility and perception of urban landscape

Chair: **Paolo Ventura**, University of Parma (IT)

Discussant: **Enrique Calderon**, The Technical University of Madrid (ES)

Bleic I.

Trunfio G. A.

University of Cagliari (IT)

University of Sassari (IT)

Machine learning for mass evaluation of urban walkability

Cittadino A.

Gamero G.

Guerreschi P.

La Riccia L.

Fiermonte F.

Eynard E.

Melis G.

University of Turin (IT)

Politecnico di Torino (IT)

LINKS Foundation (IT)

Improving the walkability for next-generation cities and territories, through the reuse of available data and raster analyses

Van Soest D.

Tight M.

Rogers C.

University of Birmingham (UK)

Investigating the importance of walk stages as a factor in the choice between car and public transport in urban areas

Tononi M.

Pietta A.

Sapienza University of Rome (IT)

IRIS, Interdisciplinary Research Institute on Sustainability

Moving through the Quarries Park

14:00-16:30

Room B2

C2 – Pedestrian Road Safety

Chair: **Giulio Maternini**, University of Brescia (IT)

Discussant: **Antonio Avenoso**, European Transport Safety Council (BE)

Maternini G.

Bonera M.

Speranza M. G.

Archetti C.

Martinello M.

University of Brescia (IT)

Methodology for data processing and solutions for road accidents that involve vulnerable road users. The case of Brescia.

Štoka-Otković I.

Deluka-Tibljaš A.

Šurdonja S.

Campisi T.

Canale A.

Tesoriere G.

University Josip Jurja Strossmayera Osijek (HR)

University of Rijeka (HR)

University of Enna KORE (IT)

Analyses of factors influencing children behaviour while crossing the conflict zones at urban intersections

Vieira Gomes S.

**Roque C.
Cardoso J. L.**

Laboratory for Civil Engineering, Lisboa (PT)

A hybrid approach for prioritising road safety interventions in urban areas

**Cottrill C.
Gargiulo C.
Zucaro F.
Gaglione F.**

University of Aberdeen (UK)

University of Naples Federico II (IT)

Defining the characteristics of walking paths to promote an active ageing

Ortolani C.

Sapienza University of Rome (IT)

School Mobility Plan as a participatory tool to reduce urban motorized traffic

Matsuura T.

Jissen Women's University, (JP)

Effects of elderly people's walking difficulty on concerns and anxiety while walking on roads

14:00-16:30
Room B3

C3 – Healthy Cities for All

Chair: **Claudio Orizio**, University of Brescia (IT)

Discussant: **Elena Marchigiani**, University of Trieste (IT)

Anwar F.

University of Brescia (IT)

Shared Space and Visually Impaired Persons

**Cudicio A.
Girardello A.**

**Arengi A.
Legnani G.**

University of Brescia (IT)

Topographical and physiological data collection for urban handbike tracks design

**Serpelloni M.
Negro F.**

Orizio C.

Marchigiani E.

**Garofolo I.
Chiarelli B.**

University of Trieste (IT)

PROACTIVE CITY. The City as a Gym for Active Design

**Maggi E.
Pantelaki E.**

University of Insubria (IT)

Elderly mobility under the microscope: a multi-disciplinary systematic review

Crotti D.

Dorato E.

University of Ferrara (IT)

Participatory experiences supporting more healthy and active cities. The research-intervention "Anziani&Città"

14:00-16:30 C4 – Promoting Healthy Cities

Room B4

Chair: **Romano Fistola**, University of Sannio (IT)
Discussant: **Michèle Pezzagno**, University of Brescia (IT)

Congiu T.		
Talu V.	University of Sassari (IT)	<i>Autism friendly cities: a first set of spatial requirements to promote the urban capabilities of people with autism spectrum disorder</i>
Tola G.		
Fistola R.	University of Sannio (IT)	
Gallo M.		<i>The missing path: the promiscuous bicycle lane in urban areas</i>
La Rocca R. A.	University of Naples Federico II, Naples, (IT)	
Battarra R.	Institute for studies on the Mediterranean, CNR - Napoli (IT)	
Congiu T.		<i>Peripheral problems and social energies: an operational framework for healthy regeneration practices</i>
Plasant A.	University of Sassari (IT)	
Unali S.		

16:30-18.00 Plenary Session Medicina, Building E15. Viale Europa, 11 - 1st Floor

Room B1

Evidence from parallel workshops and Closing remarks

A word from the emeritous Chairman **Roberto Busi**, University of Brescia (IT)

Chair: **Maurizio Tira**, University of Brescia (IT)

Workshop discussants: **Antonio Avenoso**, European Transport Safety Council (BE)
Enrique Calderon, The Technical University of Madrid (ES)
Roberto Gerundo, University of Salerno (IT)
Elena Marchigiani, University of Trieste (IT)
Giulio Maternini, University of Brescia (IT)
Michèle Pezzagno, University of Brescia (IT)
Michela Tiboni, University of Brescia (IT)
